

**SCOUTS AUSTRALIA
MINUTES FOR THE 482ND MEETING OF THE
VICTORIAN ROVER COUNCIL
HELD AT VICTORIAN ROVER CENTRE
WEDNESDAY, 22ND SEPTEMBER 2021, AT 7:30PM**

1	Welcome	
1.1	Flag Break	Kieron Younger
1.2	Attendance & Apologies Apologies – Cameron Phillips, Bailey Stone, William Weber	Maddy Packer
1.3	Acknowledgement of Country Scouts Victoria acknowledges the Australian Aboriginal and Torres Strait Islander peoples of this land. We acknowledge the traditional custodians of the lands on which this event takes place. We pay our respects to ancestors and Elders, past and present. We are committed to honouring Australian Aboriginal and Torres Strait Islander peoples' unique cultural and spiritual relationships to the land, waters and seas and their rich contribution to society.	
1.4	Conflict of Interest –	

2	Congratulations, Guest Speakers, Presentations and Formal Thanks
	Good on Ya Mate – Council acknowledges and thanks the exceptional contributions to Rovering over the past month.
	Guest Speakers –

3	Items for Consent
3.1	Minutes of the previous VRC Meeting Kieron Younger Motioned: Plenty Valley Seconded: Gippsland
3.2	Correspondence Maddy Packer Nil.
3.3	VRC Financial Report Jody Freeman Nil.
3.4	Decisions of the VRC Chair to be ratified Kieron Younger a) Apple Isle – Victorian Contingent Leader That Lily Twyford will be ratified as the Contingent Leader for the Victorian Contingent at Apple Isle Moot. Motioned: Plenty Valley Seconded: Melbourne Passed.
3.5	Nominations for the Baden-Powell Scout Award Regions Rachel Preston, <i>Carlton Rover Unit</i> – Melbourne Region

4	Office Bearers Reports
4.1	Chair Kieron Younger Not going to lie we have some work ahead of us.

We now have a road map out of lockdown. The exec and State Program team in conjunction with the COVID EMT will be delivering an Opening Package soon.

Vaccination challenge

Myself and Peter spoke with Rod, our chief commissioner, about the possibilities of running a Vaccination challenge similar to the blood challenge. However, other factors have gotten in the way this time and due to the political climate, Rod would like to thank all rovers who did support this attempt.

YOU Day

I would like to acknowledge Hamish Beshara, Rod Byrnes CC, Peter Wotherspoon, Paul Byrnes, Ian Collins, Rachael Osborne, Catherine Marley, Matty Barnes, Jody freeman, and Stephen carter for a great job done running YOU Day online. Honestly, they did all the work, I was there to really just smile and wave for the Zoom cameras.

WWCC

Great job Region teams, thank you for quickly reacting to contacting members with outdated / don't have WWCC. Myself and Peter have identified major issues with the linking processes from an administration level and a local cultural level with Venturers to Rovers. We will be approaching the State Program team and our staff at the Victorian Scout Centre very shortly.

NRC

I attended the September NRC meeting and there's nothing really to report about. I abstained from voting on the NRC budget that was handed out back in March of this year as I did not believe it was the best to support or not support based on the climate about the NRC currently.

At the November NRC, we will be bringing two papers to the table: 1. NRC Conference Online, 2. NRC funding a plaque (written by Jody freeman). My NRC delegate Andrew is on leave at the moment for the time being so please email me at chair@vicrovers.com about NRC related items.

Upcoming plans

A big thanks to the out-going Mudbash team for your work in prepping for Mudbash, sadly this wasn't to be for another year.

Coming into October we will start the Review of our state program from the last 12 months. This is all a part of my vision for Rover Scouts Victoria, to review in October, plan in November, and deliver in December, giving a fresh new approach to 2022.

P.S. Are we getting a Puppy or not?

Email at:

chairman@vicrovers.com.au

4.2 Deputy Chair

Hamish Beshara

Thank you all who attended YOU Day on the 19th of September. It was a great day with almost 50 attendees from Region Teams, Subcommittees and the OBs Team. I am looking forward to seeing this event run in person in 2022. I appreciate that for some Rovers who have completed both Basic and Advanced training under the old curriculum that some of the sessions might have served as refreshers rather than new content, but I will just remind everyone that this will not be the case in the future as Basic and Advanced training for Rovers no longer runs. Feedback received about YOU Day was largely positive, with 88% of respondents agreeing that the day met their expectations. 92% of respondents would recommend YOU Day for new members of their respective teams, and 84% learnt something new. If anyone has any further feedback concerning YOU Day, please email me.

There are four items on the table for voting this month to adopt some of the recommendations as listed in the document 'Report into the Potential VRC No Confidence Motion.' No feedback regarding the wording or content of these papers was received.

Email at:

deputy.chair@vicrovers.com.au

4.3 Assistant Chair

Matthew Barnes

Over the last month I have been working with our Subcommittees to ensure that new policies that this table votes though comes out in practice. Thank you to all the teams that are continuing to make leaps and bounds whilst still in lockdown. It's been a tough month for some of our events that keep getting knocked down every time lockdown has extended, so I'd like to thank every single Rover out there that has put their hand up for a subcommittee over the last 12 months especially because you all went into those roles knowing that the end goal for your team might not be achievable. Like the Chief Commissioner said on the weekend, Rovers are leading the way in maintain a relentless positive attitude to what we can achieve even during Covid.

Finance Training

Wednesday the 29th of September we are running the Subcommittee Financial Management Training session. The aim of this is to provide financial training at a higher level than what is provided at a Basic training course and the content being delivered tailored to Sub Coms, I'd really love to see your Exec teams and Advisers if they didn't attend last year. I'd also encourage you to pass this onto the rest of your teams as the evening is open to anyone who has an interest in finances.

Please use the link to register for the evening <https://forms.gle/tYh1YUGhLyYHmgGx5>

Covid Update

As always please try and keep up to date with the latest Covid restrictions, Especially now that it's not just Metro or Regional, What we can and can't do is affecting us all differently. Please contact Branch if you need a permitted worker form to go and do any essential work at your property. <https://scoutsvictoria.com.au/about-us/news/covid-19-update/>

Email at:

assistant.chair@vicrovers.com.au

4.4 Membership Development

Adam Kaplan

This past Saturday morning, we ran an information section/Q&A at the online venturer event Winter Gathering. Unfortunately, it was not very well attended, but that was common across all sessions over the weekend. A huge thanks to Zoe Herrera, State Youth Venturer Commissioner for hosting, as well as Danny Wallace, Nikaiya Marr Stout, Maddy Ancill, Alice Hayllar and Gemma Park for representing their events and the section in general, as well as getting up too early for a Saturday. The recording will be made available soon, so it will be a good resource to share around to your local venturer units.

Email at:

membership.development@vicrovers.com.au

4.5 Program

William Weber

This month I've started planning out the Rover 2022 Calendar, which I intend to have ready to be released at VG later this year. I've started putting together the dates that I can find on my own but I would love if everyone running an event in 2022 who have a set date please send me an email with the event name and intended date! Thanks!

Email at:

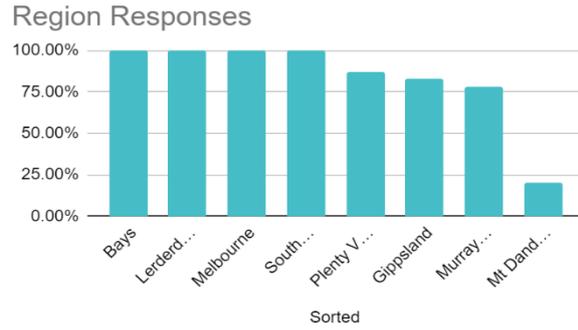

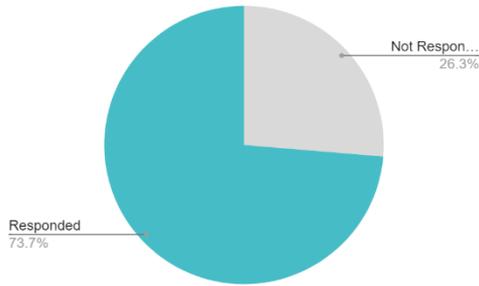

program@vicrovers.com.au

4.6 Program Transition Officer

Harrison Feldman

In the past month we have had a really good response on the Unit Pathways form and workshops.

As of this meeting (22/9/21) we are at ~74% responded. Almost a 35% increase since last meeting.

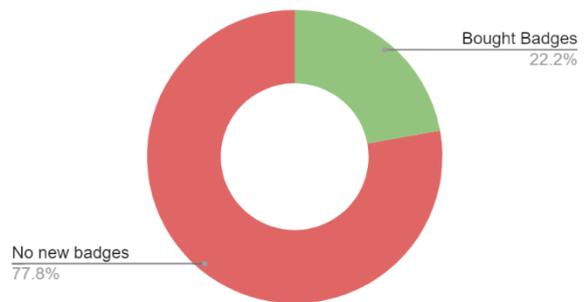

We are still at about 62% no longer using the old system which is understandable as this is a number that is only expected to grow in early 2022. Similarly, we only had a small increase in badge buying numbers (+3%) although this is likely due to increased data clarity. Again, it is unlikely that this number will grow until lockdown has ended as physical badges don't get awarded unless meetings are in-person.

Pathways Status

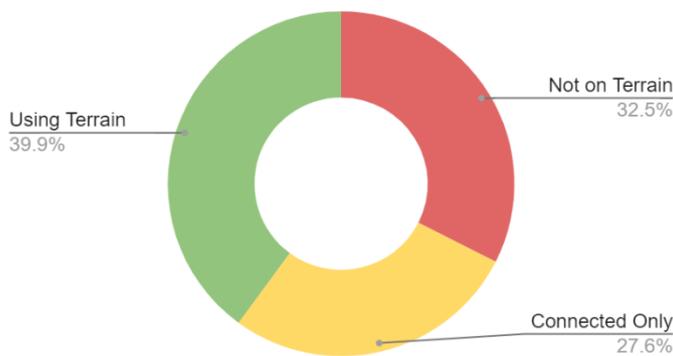

Badge Status

Here we get into the juicy part. The data on Terrain usage has changed significantly although the final numbers actually seem to stay the same. Although I have sent out numerous emails explaining how to get setup on terrain, I am currently not receiving feedback on whether the emailed units are indeed taking this on board and getting setup. The only way I can currently find out if units are setup are by using post workshop evaluations. On top of this for every successful workshop that runs, there tends to be two more Unit Pathways form responses that negate the effects of the numbers. 1 step forward, 2 steps back. However, this is no worry as most of the units that respond with 'poor data' (data that brings the statewide transition% down) often are the same ones asking for and receiving workshops.

Terrain Status

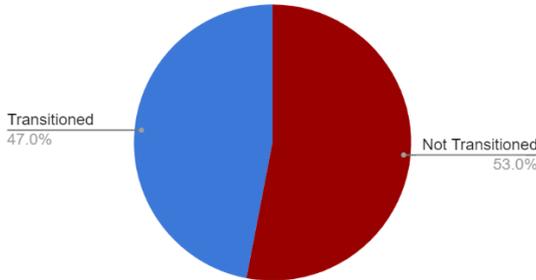

Total transition % is still sitting stable at 47%. No surprise here as this is heavily dependent on percentage of people no longer using the old system. To combat this, I have introduced a new stat: 'Transition Ready'

Transition ready

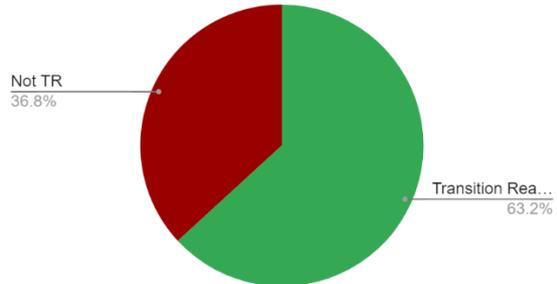

$$= \frac{\geq 1 \text{ member understands the AP} + \text{Can use Terrain} + \text{Had(or didn't need)a workshop}}{3}$$

This is meant to represent how ready a unit is to use the new system rather than how much of the new system they are using. With this number we can see an appreciable increase over time as workshops are conducted and training sessions are being held.

% Transitioned

Transition Ready

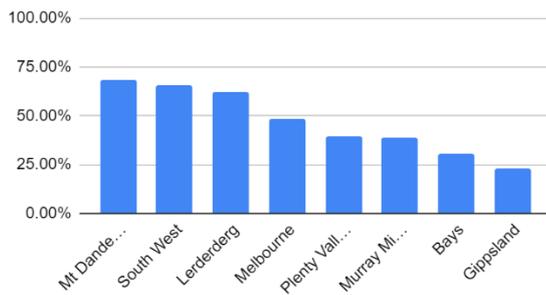

Transitioned and Transition Ready

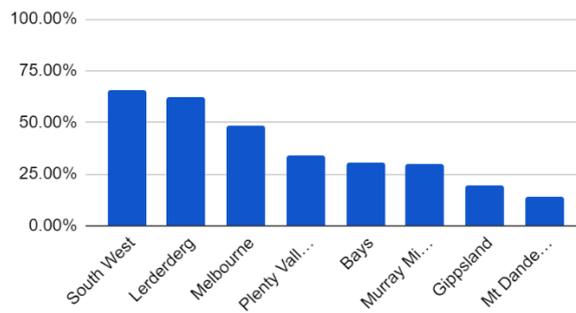

For some friendly competition, here are how the regions performed this month. The left column graphs showing the data from the units that have responded. The right column graphs showing the regions ranked, relative to how many of their units responded. As far as competition goes... the right column graphs are the ones that matter.

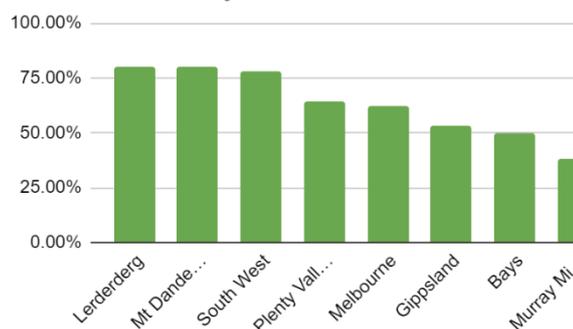

Regions Transition %

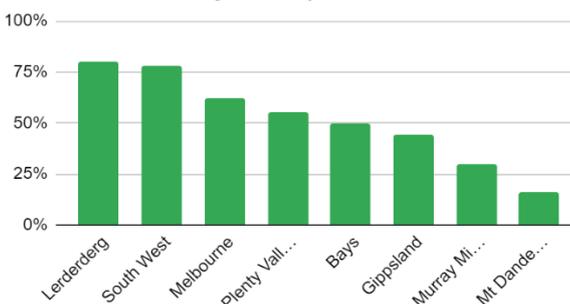

Transition * Responded

Transition Ready

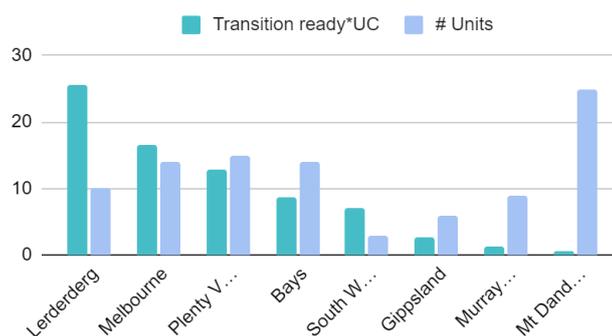

Transition Ready * Responses

Finally, for a bit of fun, this month's 'Harrison's good books' graph aims to fairly represent the transition ready percent, relative to how many units a region has. The more units, the harder it is to get your numbers up.

Harrison's Good Books

Email at:

program.transition@vicrovers.com.au

4.7 Training

Catherine Marley

This month I had the opportunity to help work on the curriculum for the upcoming Scouting Management course. This will be an acceptable equivalent of Scouting Leadership when earning the Woodbadge and open to leaders of adults and Rovers. This will be great for those looking for a course more relevant to positions outside their unit.

Registrations for our November courses close on October 29th, so there is still plenty of time to encourage people to complete their on-demand learning and On the Job Milestones.

Email at:

training@vicrovers.com.au

4.8 BPSA

Andrew Strachan

The next BPSA training will be held online on November 17th, 2021. Find more details and the link to register on the Facebook event here: <https://fb.me/e/6u5oFS6aG>

Email at:

bpsa@vicrovers.com.au

4.9 NRC

Andrew Strachan

No report submitted.

Email at:

nrc.delegate@vicrovers.com.au

4.10 Finance

Cameron Phillips

No report submitted.

Email at:

finance@vicrovers.com.au

4.11 Secretary

Maddy Packer

I am continuing to work on consolidating the previously passed policies and coming up with a better system to have a more continuous update. As always, thank you for everyone who sent me their reports on time and thank you Kieron for being ready to name and shame anyone who doesn't!

All reports **not** provided will not be typed up in their entirety; only key points will be listed. If you have a general business item to present, please ensure you send through a short summary to me.

Email at:

secretary@vicrovers.com.au

4.12 Resources

Sunny Aguilar

Thank you everyone for electing me as 2021-2022 Resources Officer.

I will maintain the use and care of the resources/assets that VRC has to give, especially care for the potential possum that is living in the roof (when possible).

I am planning on going to VRC with Matty B to have a walk through the building and am getting set up with the email.

resources@vicrovers.com.au

4.13 Strategic Planning

VACANT

No report submitted.

Email at:

strategicplan@vicrovers.com.au

4.14 Marketing & Communications

Rachael Osborne

Unfortunately, I have to start this one off on a sour note - if something from the newsletter is removed earlier than originally asked, please don't be rude in the email you send telling me to put it back in. It bothers me that I have to ask this, but a little kindness goes a long way.

On a lighter note, over the past month our social media accounts have been doing really well! Our Instagram has gone up 21% for reach and 22% for engagement for the month, as well as hitting 500 followers a few days ago! The Facebook page has gone up by 59% for reach and 32% for engagement for the month. I've been working on finding the right balance of caption/image text/links to try and advertise things as effectively as possible. I'm also still always on the hunt for good unit content to share! Let me know if you see anything cool, send it directly to @vicrovers on Insta or to me via email or Facebook message.

Email at:

communications@vicrovers.com.au

4.15 Visual Communications

Rachael Osborne

In order for me to be able to make things in time for a requested social media post or otherwise, please give me a few days' notice. Messaging me wanting an infographic made for that afternoon can't always be possible, even in lockdown. Emails are also generally preferred for requests, as they're easier for me to keep track of than Facebook messages or texts.

If you need anything made, shoot me an email.

Email at:

visual.communications@vicrovers.com.au.

4.16 IT

Michael Watts

This month we have completed the Mudbash refunds. Some are still being processed, but most have been finalised. Thank you again to the Mudbash team for planning and being ready to run a great event.

A reminder that if you have an event coming up and you've been sent the form for adding your tickets to the store please send it back in a timely manner to get everything sorted.

We will no longer be using the voting parties form as we are sending the link in the Zoom chat now, thank you to those who have been submitting regularly.

Standing Reminders:

WWCC/e-learning reminder emails are being sent once a month. Please let me know if you would like this information to go directly to unit leaders in your region, or if you would like an ad-hoc report.

You can contact the IT Team at it@vicrovers.com.au, and the online store team at store@vicrovers.com.au. Please reach out if there is anything we can assist with.

4.17 Commissioner Group

Peter Wotherspoon, Regi Caesar, Stephen Carter

YOU Day

I am writing this item not long after YOU Day has finished. What a great day! The initiative for the day well and truly paid off with almost 50 participants. Congratulations to Kieron and Hamish for all their work in organising the day and a BIG THANK YOU to all session presenters who delivered interesting and informative content.

Disappointment

Unfortunately, COVID restrictions led the Mudbash committee to the decision to cancel the event. This was the fourth time that the event had been postponed/cancelled over the past two years. It is disheartening when this happens and a huge disappointment for all members of the committee who had worked tirelessly to run an event.

Similarly, the announcement by the Premier on Sunday regarding the continuation of restrictions, albeit in a modified form, has meant that MARB has suffered the same fate.

My thanks to members of the two committees who I know had put in a major effort and were passionate about running their events.

Let's get behind the next Mudbash and MARB committees to ensure that the events are successful.

Unit Service Award

Each year, the Baden-Powell Lodge make a presentation to the Unit which has achieved the most service during the previous year. Whilst lockdowns and other restrictions have reduced the opportunities to undertake service, I am sure that Units have still achieved much in this area.

Further details regarding the award, the applicable criteria and nomination form are on the website. Nominations close with Peter on 30 November.

South West Region

Following advice from Branch, the Rover Support Commissioner for South West has been advertised with a closing date of 24 September.

Adviser - Risk & Safety

Applications for this position have now closed and interviews will be conducted shortly.

Emails:

Pete: sc.rovers@vicrovers.com.au

Regi: regi.caesar@vicrovers.com.au

Stephen: stephen.carter@vicrovers.com.au

5 Sub-Committee Reporting

5.1 Mafeking Rover Park

Charmaine Beggs

The Mafeking Rover Park Management Group hit the ground running after the elections and are still going strong. With our patrols working endlessly to get everything sorted.

The Admin Patrol have been busy working on new advertising, donation applications and bookings including confirming a Vic Jamboree activity to be held at Mafeking and multiple pre-jamboree camps.

The Logistics Patrol successfully got a donation of toilet roll holders and toilet paper to allow us to change the current poo ticket system to a much friendlier system which will also help the septic tank and blockages. These have now been installed.

The Operations Patrol have been hard at work cleaning up the park including roads, drainage and around the buildings, as well fire prevention works.

The Planning Patrol have successfully got the Junior Landcare Biosecurity Grant and have applied for the Community Shade Grants. They are continuously looking for more grants to apply for.

A friendly reminder to all rovers that when buildings/machinery/vehicles are identified by the committee as out of order that all rovers including VRC and other Subcommittees are to advise by this. The committee doesn't make these decisions lightly and they are made to ensure the health and safety of everyone.

Please remember that a scout leaves a place in better condition than they found it so please return everything you use to the correct location and conditions.

Mafeking Meetings (Town Halls) are the first Monday of every month at 7:30pm open for anyone to join. Please email or Facebook message us if you would like to attend and we can send you the zoom link.

Any questions can be sent to chair@mafekingroverpark.com

5.2 Surfmoort

Danny Wallace

What a busy month it has been for us. On Saturday just gone I attended the Vic Venturers Winter gathering online over zoom for the Rover Q&A on behalf of the Surfmoort committee to talk to the venturers about our event and answer questions about Rovers in general.

We also had a few members attend YOU Day on Sunday run by VRC over Zoom, I enjoyed the day and hope everyone expanded their knowledge. Thanks to the team that ran it.

We also spent this month getting everything ready for our ticket release on the VicRovers store, which are now live. Tickets are \$90, and the New rover (18 yo) are \$45; so, jump on and buy your tickets now.

Please ensure you have the date locked into your calendar 27th – 30th January 2022, Gates open at 4pm.

We are also in the middle of building up to our theme release, which will be released in the next few days, stay tuned to the Facebook page to find out the theme for Surfmoort 2022.

We've also finalised our merch, so that will be released for purchase once that is all set up on the store, just a reminder that All merch is pre-sale only – So if you want merch, you will need to purchase it before the cut-off date, otherwise you won't get it.

If you have any questions, please feel free to contact the Facebook page, or email me chair@surfmoort.com

5.3 Mudbash

Nikaiya Marr Stout

Hey Everyone! A couple of things to report on from a Mudbash perspective. Firstly, our official dates for next year's event will be the 10th – 13th June. Secondly, our logo competition has been released! The terms and conditions include:

- ◆ Having the word 'Mudbash' in it
- ◆ Have blue as the main colour
- ◆ Include "50th", "50 years" or "50 years of Mudbash", and
- ◆ Anyone can submit a design

There are some great prizes up for grabs for the winner, so be sure to enter!

Lastly, we still have open committee positions for Mudbash 2022! Spots that still need to be filled include:

- ◆ Vice Chair
- ◆ Assistant Treasurer
- ◆ Welfare Officer
- ◆ PR Assistants
- ◆ Activities Assistants
- ◆ Power and Communications Manager
- ◆ Power and Communications Assistant
- ◆ Event Secretary
- ◆ IT Manager
- ◆ Sites and Services Manager
- ◆ Sites and Services Assistants

I will be trying to get to every region meeting to promote open committee positions and also logo competition over the next month! 😊

5.4 Rover Scout Motorsport (RSM)

Mitchell Hanger

We have tabled out budget this month.

5.5 Bogong Rover Chalet

Jesse Lang

It has been a quiet month for the Chalet with none of our weeks this month being able to run. We have our AGM coming up in the next month, so we would like to thank everyone on BCMG for your contributions this year and we look forward to what any new members may bring to the table. We would also like to thank Scouts Victoria Risk and Safety as well as everyone who booked in to attend this year for continuously supporting the Chalet and doing everything you could to run a successful season. Hopefully, we'll be able to get back on our skis next year.

5.6 W.F. Waters Lodge

Todd Henderson

With Covid continuing to be a major disruption there is not a lot to update over the past month in relation to activity at the lodge. Due to the continuation of the Covid restrictions our plans to have our AGM up at the lodge have been once again forced online. Our AGM will be held on 9th October via Zoom. Further information will be distributed coming week as details are finalised. If anyone wishes to attend please let me know so I can forward the relevant details for the zoom links. Otherwise, I hope everyone is staying safe and we can all catch up again soon.

5.7 MARB

Madeline Ancill

The committee has gone above and beyond to ensure this event will run in a COVID Safe manner. Unfortunately, the event will not be able to run in 2021 due to the roadmap.

Therefore MARB 2021 - Game On will now be taking place in Term 1 of 2022. This will give the event the best chance to run. At this stage, the committee is working hard behind the scenes to get in contact with our providers to secure a new date.

In the meantime, please hold off from getting in touch with the committee. All tickets holders will have their tickets held over and will be contacted with a new date, where they receive an email with further information, so please watch out.

We cannot wait to see you all there next year!!!

If you have any questions, please do not hesitate to contact us on either our socials and/or marb@chair.com.au.

5.8 Rover Dinner

Lerderberg

After last weekend's announcements about Victoria's roadmap out of COVID lockdowns, concerns have been raised regarding the viability of Rover Dinner in its current format. Restrictions that would allow this event to run as planned are forecast to be lifted the week before Rover Dinner, which doesn't give us much leeway should the vaccination rate slow down. Rover Dinner will still be held on the 13th of November regardless of the restrictions at the time, so alternative options will be explored in the next month. For the time being, Rover Dinner is still being advertised as running as planned at Williamstown Town Hall on November 13th.

Tickets will go on sale on the Rover store soon once event logos and graphics are finalised. The cost of each ticket is \$65 for three courses.

5.9 Yearbook

Catherine Marley

Yearbook reports are due next week on the 29th of September. I am chasing people up for reports. Thank you to those who have already sent reports through.

6 Region Reporting

6.1 Bays

Rachael Osborne

The past month for Bays has again, sadly, been quiet due to lockdown. We have continued to have a good turnout at our region meeting, with almost all units attending. We did however get reports from all 14 of our units, which the exec were all excited about, and is a good sign of the relationship between the Region and the Units continuing to be repaired. Our baby unit, Ballam Park, is continuing to do well, and the official formation of the unit will be voted on at our October meeting.

We had an exec meeting earlier this month (after covid cancelled our pub meeting 🤨) to go over what goals we have for the year ahead in Bays, where we were able to cover a few areas we each want to work on.

From that meeting, we have done a complete overhaul of our minutes, with a new template, and going back to taking attendance at the beginning of each meeting. Molly also created a template for our units to use each month for their reports, to help those struggling to write one. Starting next month, we will also be putting out an agenda before each meeting, something we've been lagging behind on until now. Our development team have also come up with a short email we can begin sending to uncrewed Rovers as they turn 18, so I can place them in the correct units on extranet.

6.2 Gippsland

Justin Porter

This month Gippsland rovers had the pleasure of having some freedom before heading back into lockdown 7 for regional areas. Some of the stuff they got up to was a Parma night at the local pub, an online debate about if tomato sauce belongs in the fridge, and also a unit went to the movies. We would like to thank the LRRC for their amazing Trivia Night, we had so much fun, keep up the good work!!!! We have also been busy getting Rovers on Terrain. We also had a few people from Gippsland attend the YOU DAY, thank you to the VRC Executive team for organising it we did learn a lot. We also look forward to being out of lockdown so we can go and enjoy the things we miss the most.

6.3 Lerderderg

Wil Sumbler

Despite our challenges over the last month taking part in the ever growing "super fun" lockdown LRRC has celebrated a few successes

I'd like to congratulate Jess on completing everything required for her Rover Wood badge and just waiting for that to go through

We as a region also celebrate another victory in the trivia night that we held a few weeks ago, despite the last minute and informality of the event we had quite a respected attendance. Going off the feedback we received, it hit the nail right on the head in regard to getting people to connect in a time of disconnection.

As chair, I continue to be proud and impressed by the efforts of the rest of my team.

6.4 Melbourne

Tiffanie Thomas

Another good month in Melbourne

We had Nick Pike come along to our monthly meeting to do a terrain info session and then we had cocktails after

We're also working towards making/looking into a Uncrewed member email

We will also have our dates for our Region camp it will be on the 25-27th of March

We conducted a BPSA interview for Rachel from Carlton and are putting her application forward tonight.

We are also working on our relationship with the ventures and DVC.

Fun Fact:

Hot water will turn into ice faster than cold water	
6.5 Mt Dandenong	Gemma Park
Quiet month here at Mt Dandenong, we're all just going with the flow until lockdown is lifted. Hopefully we can all get vaccinated soon and host some awesome face-to-face events!	
6.6 Murray Midlands	Travis Elliot
<ul style="list-style-type: none"> ◆ Finally had enough numbers at our meeting to hold our exec elections ◆ Also voted for a previous unit to be able to open back up 	
6.7 Plenty Valley	Nathan Box
<p>Another great month for Plenty Valley. This month's fun activity was a trivia session run which was super fun, well done to Catherine for organising that. We had two BPSA reflection interviews, for James Warren and Catherine Marley, who have both put tremendous effort into their projects.</p> <p>Lastly, we received some exciting correspondence from Rovers from Reservoir Scout Group, who wish to revive Jika Jika Rovers. Their numbers are promising, and we'll be supporting them through the start-up process, to hopefully be up and running in about 12 months.</p>	
6.8 South West	Lily Twyford
<p>Very exciting to have some flexibility in the regional areas with lockdown semi ending - our units have been taking great advantage of that!</p> <p>Emily's BPSA presentation was held virtually over the weekend, and I thought it was very successful! Thank you to everyone who came and supported Emily, and in turn supported our region. Hopefully whoever the next BPSA is will have some cake and not be online, but who knows!</p> <p>We were very sad to see Mudbash and Winter Gathering cancelled, and we usually always enjoy the beautiful catering from our Mahogany unit at camp but alas we will just have to wait until next time. Some of our rovers were still able to help out at the WG online events and attend YOU day virtually.</p> <p>In other business, our region badges have been ordered so we are very excited to start getting new region scarfs sorted and some cute camp blanket additions. We are also working really hard to get the Villa back up and running with some fundraising and structured construction/fix plans in place.</p>	

7 Other Reports

7.1 MPAC Report

The MPAC Project Patrol met this month to discuss the constructability of MPAC and the next steps for the team. An engagement survey was sent out in Be Informed and the Rover Newsletter to gather feedback on what users want to see in the building, which will inform the team as to what design elements are most important to include. If you missed the survey, you can find it [here](#). Currently, 36 responses have been recorded.

The Project Patrol has developed an implementation programme that is currently forecasting construction in Q2 2022. This program will be shared at the October VRC meeting.

7.2 Scout Moot

Scout Moot tickets are open!

Due to the current COVID restriction Roadmap, the dates for Scout Moot will be changing. New information for this event will be announced as information is available.

Scout Moot is a competition camp for Victorian Rovers in which you will be assessed in patrols on both the quality of your campsite, as well as your performance in the activities. Scout Moot is being run by two Rovers for our Community Development badge as a means of increasing the opportunities for outdoor skill-based events in the Rover section. We hope that you enjoy the event as we take you . . . Back to Scouts!

The event will run at Gilwell Park, so head on over to the link below to book in now. There are only 100 tickets available, so get in quick!

<https://www.trybooking.com/BTCXN>

We also have a few service positions available, so if you're not interested in participating but still would like to be involved, send us an email or message us on Facebook: vicrovers.scout.moot@gmail.com, or @vicrovers.scout.moot on Facebook.

8 Interstate, National and International Events and Contingents

8.1 Apple Isle Moot - Tasmania

Lily Twyford has been appointed as the Victorian Contingent Leader. If you or anyone you know is interested in joining the team, contact Lily.

9 Tabled Items

9.1 RSM Budget

RSM

The budget and cover letter can be found on page 4 of the minute attachments.

Please send any comments or questions to Mitchell Hanger.

chair@rsm.vicrovers.com

10 Items for the Information of the Victorian Rover Council

10.1 Requirements for Child Safety and WHS Modules for All Adults in Scouting

Please periodically remind the Rovers in your Regions, Subcommittees and Units that these modules may have expired without their knowledge, and that they need to re-complete them when this occurs.

11 Voting Items

11.1 Adoption of Recommendation 1

Hamish Beshara

This paper can be found on page 6 of the minute attachments.

KEY POINTS:

- ◆ The report 'Report into the Potential VRC No Confidence Motion' presented a recommendation regarding the revision to VRC Standing Orders to clearly define the scope of the VRC Chair.
- ◆ This paper presents an amended version of the report's recommendation that was developed in consultation with Region Chairs and Rover Support Commissioners

Motioned: South West

Seconded: Mt Dandenong

Passed.

Please send any comments or questions to Hamish Beshara.

deputy.chair@vicrovers.com.au

11.2 Adoption of Recommendation 2

Hamish Beshara

This paper can be found on page 8 of the minute attachments.

KEY POINTS:

- The report 'Report into the Potential VRC No Confidence Motion' presented a recommendation regarding the revision to VRC Standing Orders to provide a mechanism to initiate a vote of no confidence in an Office Bearer position.

- This paper presents an amended version of the report's recommendation that was developed in consultation with Region Chairs and Rover Support Commissioners.

Motioned: Bays

Seconded: Gippsland

Passed.

Please send any comments or questions to Hamish Beshara.

deputy.chair@vicrovers.com.au

11.3 Adoption of Recommendation 6

Hamish Beshara

This paper can be found on page 10 of the minute attachments.

KEY POINTS:

- The report 'Report into the Potential VRC No Confidence Motion' presented a recommendation regarding addressing the appropriate amount of Region engagement required by Region Chairs.
- This paper presents an amended version of the report's recommendation that was developed in consultation with Region Chairs and Rover Support Commissioners.

Motioned: Lerderderg

Seconded: Plenty Valley

Passed.

Please send any comments or questions to Hamish Beshara.

11.4 MARB 2021 Shifting to Term 1 2022

MARB Committee

This paper can be found on page 14 of the minute attachments.

KEY POINTS:

- ♦ MARB 2021 Game On as an event is fully planned and ready to go and the committee is excited to have the event they've worked hard on actually run.
- ♦ Feedback from our ticket holders and other interested Rovers states that they would like to attend this planned event, and don't want to see it cancelled.
- ♦ As to not impact the normally running of the events calendar, with respect to the current COVID restrictions roadmap, we propose that the MARB 2021 Game On event be moved to Term 1 of 2022 and that a 2022 committee is formed adjacent to the current committee to plan a new event to run during late Term 3 or early Term 4 2022.
- ♦ These two teams would operate completely separately, but crossover between the two teams

would be permissible due to current succession planning. The MARB 2021 Game On Chairman will not hold any role on the MARB 2022 team apart from Immediate Past Chair.

- ◆ The approximate 6-month gap between events would mean that moving the 2021 event, shouldn't impact on the attendance of the 2022 event. These events would also operate in different financial years.
- ◆ MARB 2022 would not put their tickets on sale until the completion of MARB 2021 Game On as to avoid confusion.
- ◆ Moving the event would give the potential for higher participant number caps, ensuring the event is at less of a financial risk.
- ◆ All current tickets will be transferred to the new date; after a date is locked in, if any current ticket holders cannot attend, full refunds will be provided at their request.

Motioned: South West

Seconded: Mt Dandenong

Passed.

Please send any comments or questions to Maddy.

14	General Business
14.1	Other Business

- ◆ **Subcommittees** – Rovers should be aware that the lack of events for 2020 and 2021 is resulting in lacking committees and lacking motivation for these events. Please encourage your regions to look into joining these subcommittees and help plan future Rover events.

- ◆ **WWCC** – Is it possible to have a team work with venturers to assist in having venturers organising their WWCC before it gets flagged – This is a happening thing, more to come.

Closing Parade: Flag Down & Rover Prayer
Meeting Closed at: 09:13 pm
